

DAYBRIGHT GLOW™ Brightening Sheet Mask

Amie's **NEW DAYBRIGHT GLOW™ Brightening Sheet Masks** are soft cloth masks infused with skin-friendly natural ingredients designed to brighten, hydrate and revitalise your skin. Use them once or twice a week to bring an instant radiance and revitalising boost to your skin while you relax. Packaged in individual sachets, these are the perfect way to give your skin a spa-at-home treatment or to take with you when you travel.

Each Amie **DAYBRIGHT GLOW™ Brightening Sheet Mask** contains natural extracts of Liquorice Root and Coffee to brighten, tone and refresh dull skin. Indian Lotus Extract and Pro-Vitamin B5 nourish, soothe and condition while hyaluronic acid gives skin a hydrating boost, softening and increasing skin's suppleness.

A relaxing application of 15-20 minutes is enough to leave skin intensely re-energised and moisturised with a natural radiant glow. To use, cleanse and dry face. Take out and unfold a mask, apply and smooth gently onto face. Wear mask for 15-20 minutes, peel away when finished.

Skin-friendly natural extracts:

Liquorice Root and Coffee – brighten, tone and refresh dull skin.

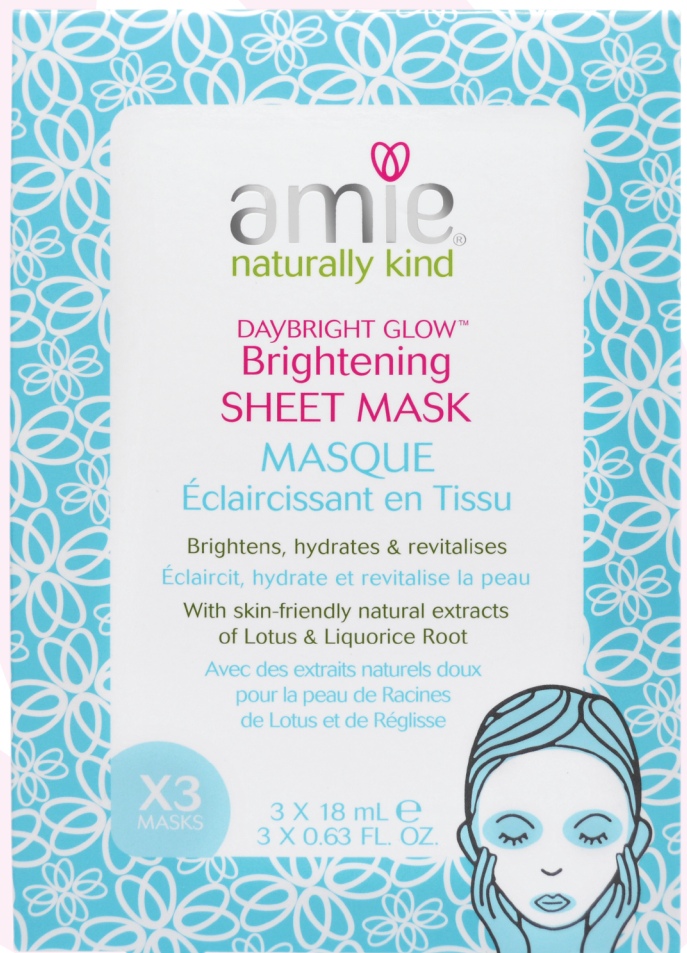

Indian Lotus Extract and Pro-Vitamin B5 – nourish, soothe and condition skin.

Hyaluronic Acid – gives skin a hydrating boost, softening and increasing skin's suppleness.

As with all Amie products, **DAYBRIGHT GLOW™ Brightening Sheet Masks** are suitable for all skin types, especially sensitive skin.

DAYBRIGHT GLOW™ Brightening Sheet Masks are pH balanced and free from parabens & sulphates. Suitable for vegetarians and vegans.
